

# Orchid Island Golf & Beach Club

DISPLAYING THE TRUE BEAUTY OF OLD FLORIDA

VERO BEACH, FLORIDA: Orchid Island Golf & Beach Club, located north of Vero Beach, is proud to be one of Florida's few barrier island courses with an exceptional layout. It is a member owned and operated community. In recent years, millions of dollars have been reinvested in amenities.

In addition to the Arnold Palmer-designed golf course, perks include eight Har-Tru tennis courts, a mile-long secluded beach, a heated pool with private cabanas, a charming seaside restaurant, and three social gathering spots—The Golf Club, The Beach Club, and The Tennis & Wellness Center.

As the centerpiece of the community, the golf course tests players of all skill levels, offering flexible overall distances from multiple tees that range from 4,321 to 7,126 yards. The layout integrates lakes with undulating serpentine fairways and expansive TifEagle greens, all set to the beautiful backdrop of historic oak trees, superior grasses and lush landscaping.

This year, Orchid Island hosted the South Florida PGA Championship and the Florida State Women's Net Championship.

"As an Audubon certified community, we are vigilant in preserving our natural environment," said Matt Boyd,

golf course superintendent. "The flora, fauna, and abundant wildlife are the differentiating factors when our club is compared to others in Florida.

"The 325 members understand the importance of being good stewards of the land. There are finite resources. So, we make sound decisions to mitigate the impact of golf operations on the environment.

"Our sophisticated water retention system allows us to irrigate the golf course with captured rainfall and on-site artesian wells," explained Boyd.

"Vero Beach offers a more intimate lifestyle compared to larger cities to our south," said Rich Waage, director of golf. "Our town provides room for you to 'stretch your legs.' Careful planning has prevented high-rise development and with an affluent population, we have a rich cultural environment. Two of our more popular venues are the Vero Beach Museum of Art and the Riverside Theatre." ■
