

**ORCHID ISLAND DIRECTOR OF GOLF INSTRUCTION & TOP PGA PROFESSIONAL,  
JASON SEDAN, TO APPEAR ON GOLF CHANNEL'S "MORNING DRIVE"**

**ORLANDO, Fla. (Mar. 1, 2016)** – Orchid Island Golf & Beach Club, Director of Instruction, Jason Sedan, a PGA Certified Professional, is scheduled to appear as a guest instructor on Golf Channel's *Morning Drive* March 8 and 9.

The popular daily morning show airs from 7-9 a.m. Eastern.

Sedan oversees the coaching programs for Orchid Island Golf and Beach Club in Vero Beach, Fla., during the winter months. He is also the founder and coaching director of Fore Door Golf at Lake Winnepesaukee Golf Club in New Durham, N.H., and is one of the inaugural coaches in Golf Channel Academy (GCA), a dedicated network of teaching facilities operating with the active support of Golf Channel, the game's leading global multimedia and golf entertainment source.

Select Golf Channel Academy coaches are being invited to appear on the network's news and instruction shows, including *The Golf Fix* and *School of Golf*; Sedan is making his first appearance on *Morning Drive*.

"I'm excited for the opportunity to appear on *Morning Drive* and share insights on the full spectrum of game-improvement Fore Door Golf brings to the table," said Sedan, whose revolutionary approach to teaching golf stems from a four-step approach he calls the "Doors to Success." "It's been a great experience to be a part of the Golf Channel Academy network of coaches. The quality and diversity of the team is something I'm very proud to be associated with."

A 15-year teaching veteran, Sedan freelances out of the PGA Center for Golf Learning and Performance in Port St. Lucie, Fla., and formerly served as the director of instruction at Upper Montclair Country Club in Clifton, N.J. An accomplished player, Jason twice qualified for the PGA Professional National Match Play Championship.

As a Golf Channel Academy coach, Sedan continues to teach the way he knows best. The underlying philosophy of Golf Channel Academy is that the best golf "teaching" is done through "coaching" — that is, an on-going relationship between player and teacher devoted to long-lasting improvement.
